Yuriy Boyko

Project manager

Meet Yuriy Boyko, an experienced mobile app developer with a passion for creating innovative solutions.

With 6 years of experience in mobile app development, I have worked on a range of high-profile projects across iOS and Android platforms. [He/She] is skilled in using languages such as Swift, Java, React Native, and Ionic to create robust, user-friendly applications that meet the needs of businesses and consumers alike.

Education

Technical University of Munich

From July 2015 to June 2017 [Faculty of Informatics](#) Munich

As a Bachelor's student, you would have completed your secondary education and obtained a high school diploma or equivalent qualification

Technical University of Munich - TUM

From April 2010 to July 2015 [Faculty of Informatics](#) Munich

Course

2013 [School](#) Town

- Specialisms
- Achievements...

Work experience

Junior Software Developer

From March 2018 to August 2020 [Personio GmbH](#) Munich

As a Junior Software Developer, I was likely to be working on smaller components of larger projects, learning new coding techniques and debugging tools along the way.

Senior Software Developer

From August 2020 to April 2022 [Personio GmbH](#) Munich

As a Senior Software Developer, I was a team leader responsible for managing technical workstreams, mentoring junior developers, and collaborating with stakeholders to deliver successful software projects.

Skills

Time Management

Communication:
