

# Macro Hoffman

## Mobile application developer

Experience is the name everyone gives to their mistakes.

### Education

**Bachelor's degree, Nanyang Technological University** Nanyang Technological University 50 Nanyang Ave, Singapore 639798 / From September 2014 to October 2018

**School Tao Nan School** 49 Marine Cres, Singapore 449761 / From August 2008 to July 2014

### Work experience

**Munich Personio GmbH** Munich / From February 2019 to March 2023  
As a Junior Mobile Application Developer, I was likely to be working on smaller components of larger projects, learning new coding techniques and debugging tools along the way.  
Also understood UI/UX Design principles, version control system like Git and get to familiar with mobile OS platforms such as Android and iOS as well

### Computer skills

#### Mobile Development

Java, Swift, Flutter, React Native

#### Backend Development

Firebase, MongoDB, MySQL, Django

#### Other

C#, Python, C++, HTML, CSS, JavaScript, Unity3D

### Skills

#### Innovative, Creative Work

I always try to create something new and have a innovative behavior for my team. Also a kind of passionate person.

#### Team Work

I need to communicate effectively with team members, stakeholders, and management.
